

Thank you for your interest in Pegasus Riding Academy (PRA) and **therapeutic riding**. The first step toward participating in a PRA program is to complete and return the necessary forms. These are valid for one year. If you have **current** (less than one year old) forms on file, then you need only complete the Continuing Registration Form.

Before a participant can be considered for inclusion in the Pegasus Riding Academy programs the attached forms must be completed and returned to us.

Once all forms are received at Pegasus Riding Academy and verified for completeness, an evaluation may be arranged. The evaluation will ensure that our program is appropriate for the potential participant and that there are no contraindications to participation in horseback riding activities. The cost for **six week therapeutic riding session** is Three Hundred (\$300.00) Dollars. A deposit of One Hundred (\$100.00) Dollars is due at the time of registration to secure the students place. Pegasus is not responsible for handling the participants billing. Pegasus will provide an invoice and parents must request payment. Parents or care givers must handle all billing to family service company, insurance or any other provider. Should funds not be available through family service, the client is responsible for payment of the balance. PLEASE BE ADVISED IF YOU GET APPROVAL FROM FAMILY SERVICES, THEY WILL NOT RESERVE THOSE FUNDS. YOU MUST SEEK PAYMENT IMMEDIATELY PRIOR TO SPENDING ALL THE AVAILBLE FUNDS.

Pegasus practices a POLICY OF INCLUSION, allowing able-bodied siblings/friends of program to attend, in order to provide the care-giver with a respite. Receipt of your payment will reserve your space in the riding session. Spaces are reserved on a first come first serve basis.

PRA strives to provide the safest possible conditions for participants, volunteers, employees and horses. The acceptance and continued participation of a participant in our program depends on the availability of instructors, volunteers and suitable horses, and is based on our determination that we can safely accommodate the participant. PRA adheres to precautions and contraindications for participants established by the Professional Association of Therapeutic Horsemanship, Intl. PRA adheres to State and local authority mandates regarding precautions for the COVID-19 outbreak. Attached are the practices that will be adhered to in order to provided the safest environment for all involved in the program. Parents and caregivers will need to cooperate with these policies.

PRA retains the right to refuse any participant that we cannot safely accommodate. Participants must inform PRA of changes in their health status and an annual update of the Medical History Form and Physician's Form is required. Should a participant's behavior result in a safety issue for themselves or others, they will be dismissed from the remainder of camp. A refund will not be given. Should a session have to be canceled due to weather conditions, there will be a makeup session. However, we do have a covered arena so cancelation is due only to severe weather.

Finally, DO NOT SPEED ON THE PROPERTY. WHEN YOU ENTR OUR DRIVE WY AT THE END OF TENNESSEE AVENUE, REDUCE YOUR SPEED IMEDIATELY. If any drive receives a warning and them speeds again, they will be fore to park at main entrance. There are numerous children, pets and workers at the entrance and speeding will not be tolerated.

Thank you for your interest and I look forward to serving you soon. Please feel free to contact the office if you have any questions at (912) 547-6482

Sincerely,

Peggi Lyn Noon

PATH Mentor & Certified Riding Instructor

#### **PRA POLICIES**

Unfortunately, riding is not an appropriate activity for everybody and we occasionally have to decline services to those for whom riding is contraindicated. As a PATH (Professional Association of Therapeutic Horsemanship, Intl.) program, we must follow PATH guidelines. Additionally, persons with disabilities might be at higher risk. To learn more about this please see Links to more information on the CDC website: Information on people with disabilities: <a href="https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-disabilities.html">https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-with-disabilities.html</a> Additional Information on people who are at higher risk of severe infection: <a href="https://www.cdc.gov/coronavirus/2019-ncov/needextra-precautions/people-at-higher-risk.html">https://www.cdc.gov/coronavirus/2019-ncov/needextra-precautions/people-at-higher-risk.html</a>

To be in compliance with PATH national standards, we have established the following:

## **Session Fees Policy**

For riders to participate in the SUMMER ADVENTURE SESSION there is a \$100 dollar deposit for each rider, due at the time of registration. The remainder of the balance of \$150.00 is due by the beginning day of the session. If you are setting up a payment plan, please make arrangements with the office prior to the beginning of the upcoming session.

## **Age Policy**

Minimum Age: 5 years old for therapeutic riding lessons

Maximum Age: There is not a maximum age. The only requirement is that the person is able to physically and safely perform what is required in a therapeutic riding lesson.

# **Weight Policy**

According to PATH guidelines, riding is contraindicated:

- 1. If the staff is unable to safely manage the participant in any situation, including an emergency dismount.
- 2. If safety or comfort of the horse is compromised during mounted activities.
- 3. In determining if rider is weight appropriate, certain factors such as cognitive skills and the balance of the rider are taken into account at the time of assessment. Riders will be evaluated by staff to determine if riding is a safe and appropriate activity.

#### **Yearly Sessions**

Sessions are Monday and Wednesday at 3:30 and 4:30 in the afternoon. Saturday classes are 9:00, 10:00 and 11:00 each morning. Participants should wear long pants while riding and have on closed toed shoes at all time. Participants should arrive no more than10 minutes prior to the session and be picked up immediately after class. We encourage parents to leave the children and do not allow observers on the rail. We want to facilitate the riders full attention.

### GENERAL ACTIVITY RELEASE, ASSUMPTION OF RISK and WAIVER OF LIABILITY

This document waives important legal rights. Read it carefully before signing.

I AGREE for myself, and/or my child, my/our administrators and assigns, in consideration for my, and/or my child's, participation in Pegasus Riding Academy activity of the following:

I AGREE that I choose to participate voluntarily in Pegasus Riding Academy activities as a rider, handler or spectator. I am fully aware and acknowledge that horse sports and Pegasus Riding Academy activities involve inherent dangerous risks of accident, loss, and serious bodily injury including, but not limited to, broken bones, head injuries, trauma, pain, suffering or death ("Harm"). I fully understand that this release covers, but is not limited to, inherent risks of an equine activity which mean a danger or condition that is an integral part of an equine activity, including but not limited to, any of the following:

The propensity of an equine to behave in ways that may result in injury, death, or loss to persons on or around the equine; The unpredictability of an equine's reaction to sounds, sudden movement, unfamiliar objects, persons, or other animals; Hazards, including, but not limited to, surface or subsurface conditions:

A collision with another equine, another animal, a person, or an object;

The potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant.

I AGREE that I/my child/my ward would like to participate in the Pegasus Riding Academy program. I acknowledge the risks and potential risks; however, I feel that the possible benefits to me/my child/my ward are greater than the risk assumed. I hereby, intending to be legally bound for myself, my heirs and assigns, executors or administrators waive and release forever all claims for damages against Old Roberds Dairy, Christy Harrison, Brian Redmon, Pegasus Riding Academy, it's Board of Directors, instructors, therapists, aides, volunteers, employees and affiliated organizations for any and all injuries and/or losses I may sustain while participating in the Pegasus Riding Academy program including activities occurring outside of the scope of the program itself, including, but not limited to transportation, care giving, horse exercising and any camp related activity.

By signing below, I ACKNOWLEDGE that I enter into this release after having read the same, and place my signature hereto of my own free voluntary act and deed. By signing below, I represent to Pegasus Riding Academy that I fully understand its contents, that I do not need any further explanation, and I waive any further explanation.

I AGREE to assume all risks of Harm to me and/or my child, and specifically agree to the GEORGIA EQUINE LIABILITY LAW regarding equine/ farm animal activity liability: **Warning -** Under Georgia law, an equine activity sponsor or equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to Chapter 12 of Title 4 of the Official Code of Georgia Annotated.

## PEGASUS PRECAUTIONS AND PROCEDURES FOR COVID-19 OUTBREAK

Pegasus will prepare our work areas according to the CDC recommendations to reduce potential transmission among volunteers and participants, maintaining healthy business operations and maintaining a healthy work environment. To accomplish this we are following these procedures:

- 1: Please verify that there are no underlying health issues that would go against any protective mandates.
- 2: Does the participant or anyone within their household have symptoms present, such as a fever or cough? If so, please stay at home.
- 3: Participants will have temperature checked before exiting vehicle each morning and that temperature will be recorded. Staff will also have temperature monitored and recorded each morning. Please do not let participants out of the vehicle until temperature is checked. Hand will also be sanitized upon arrival.
- 4: Staff are cleaning AND disinfecting equipment and common areas each evening and morning. Tack is cleaned between use and at the end of the day placed in sunlight in addition to cleaning. Helmets will be segregated, cleaned and designated to an individual rider. Again, helmets will not be shared. Personal helmet will be sanitized upon arrival each morning. Participants should bring individual water bottles.
- 5: Participants will be kept in groups of four and at no time be integrated in a larger group. Social distancing will be maintained at all times. Handshaking is not permitted and a non-contact method of greeting will be used. Please prepare the participant for this type of greeting.

Thank you for cooperation.
