

Thank you for your interest in Pegasus Riding Academy (PRA) and **SUMMER ADVENTURE SESSION**. The first step toward participating in a PRA program is to complete and return the necessary forms. These are valid for one year. If you have **current** (less than one year old) forms on file, then you need only complete the Continuing Registration Form.

Before a participant can be considered for inclusion in the Pegasus Riding Academy programs the attached forms must be completed and returned to us.

Once all forms are received at Pegasus Riding Academy and verified for completeness, an evaluation may be arranged. The evaluation will ensure that our program is appropriate for the potential participant and that there are no contraindications to participation in horseback riding activities. The cost for **SUMMER ADVENTURE SESSION** is Three Hundred (\$300.00) Dollars. A deposit of One Hundred (\$100.00) Dollars is due at the time of registration to secure the student's place. Limited space is available as each session will only have a maximum of 12 participants. Summer session practices a **POLICY OF INCLUSION**, allowing able-bodied siblings & children to attend, in order to provide the care-giver with a respite. Receipt of your payment will reserve your space in the riding session. Spaces are reserved on a first come first serve basis. Please indicate your first and second choices of camp session to attend.

PRA strives to provide the safest possible conditions for participants, volunteers, employees and horses. The acceptance and continued participation of a participant in our program depends on the availability of instructors, volunteers and suitable horses, and is based on our determination that we can safely accommodate the participant. PRA adheres to precautions and contraindications for participants established by the Professional Association of Therapeutic Horsemanship, Intl. PRA adheres to State and local authority mandates regarding precautions for the COVID-19 outbreak. Attached are the practices that will be adhered to in order to provide the safest environment for all involved in the program. Parents and caregivers will need to cooperate with these policies.

PRA retains the right to refuse any participant that we cannot safely accommodate. Participants must inform PRA of changes in their health status and an annual update of the Medical History Form and Physician's Form is required. Should a participant's behavior result in a safety issue for themselves or others, they will be dismissed from the remainder of camp. A refund will not be given. Should camp have to be canceled due to weather conditions there will not be a refund and the day will not be made up. However, we do have a covered arena so cancellation is due only to severe weather.

Thank you for your interest and I look forward to serving you soon.
Please feel free to contact the office if you have any questions at (912) 5476482.
Sincerely,

Peggi Lyn Noon

PRA POLICIES

Unfortunately, riding is not an appropriate activity for everybody and we occasionally have to decline services to those for whom riding is contraindicated. As a PATH (Professional Association of Therapeutic Horsemanship, Intl.) program, we must follow PATH guidelines. Additionally, persons with disabilities might be at higher risk. To learn more about this please see Links to more information on the CDC website: Information on people with disabilities: <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/peoplewith-disabilities.html> Additional Information on people who are at higher risk of severe infection: <https://www.cdc.gov/coronavirus/2019-ncov/needextra-precautions/people-at-higher-risk.html>

To be in compliance with PATH national standards, we have established the following:

Session Fees Policy

For riders to participate in the SUMMER ADVENTURE SESSION there is a \$100 dollar deposit for each rider, due at the time of registration. The remainder of the balance of \$200.00 is due by the beginning day of the session. If you are setting up a payment plan, please make arrangements with the office prior to the beginning of the upcoming session. Partial scholarship and assistance from Family Services Programs are available/

Age Policy

Minimum Age: 5 years old for therapeutic riding lessons

Maximum Age: There is not a maximum age. The only requirement is that the person is able to physically and safely perform what is required in a therapeutic riding lesson.

Weight Policy

According to PATH guidelines, riding is contraindicated:

1. If the staff is unable to safely manage the participant in any situation, including an emergency dismount.
2. If safety or comfort of the horse is compromised during mounted activities.
3. In determining if rider is weight appropriate, certain factors such as cognitive skills and the balance of the rider are taken into account at the time of assessment. Riders will be evaluated by staff to determine if riding is a safe and appropriate activity.

Summer Adventure Session

PEGASUS PRECAUTIONS AND PROCEDURES FOR COVID-19 OUTBREAK

Pegasus will prepare our work areas according to the CDC recommendations to reduce potential transmission among volunteers and participants, maintaining healthy business operations and maintaining a healthy work environment. To accomplish this we are following these procedures:

- 1: Please verify that there are no underlying health issues that would go against any protective mandates.
- 2: Does the participant or anyone within their household have symptoms present, such as a fever or cough? If so, please stay at home.
- 3: Participants will may have temperature checked before exiting vehicle each morning and that temperature will be recorded. Staff will also have temperature monitored and recorded each morning. If so, please do not let participants out of the vehicle until temperature is checked. Hand will also be sanitized upon arrival.
- 4: Staff are cleaning AND disinfecting equipment and common areas each evening and morning. Tack is cleaned between use and at the end of the day placed in sunlight in addition to cleaning. Helmets will be segregated, cleaned and designated to an individual rider.

Once your child is registered for camp and we have received the deposit, you will be send additional information to prepare your child regarding how camp will be conducted during this time. Should the local government or CDC change Covid requirements, we will act accordingly. We intend to make this safe behavior transition fun and interesting!
