Proceeds Benefit the Therapeutic Programs offered by Pegasus Riding Academy

Pegasus Riding Academy serves participants of all ages with a range of physical, emotional, behavioral and cognitive challenges. As our therapeutic organization has grown, we have developed a program to serve Wounded Warriors and Seniors as well. Currently, Pegasus provides Therapeutic Horseback Riding for riders who have been diagnosed with a wide range of disabilities, including Autism Spectrum Disorder, Cerebral Palsy, Down Syndrome, Multiple Sclerosis, Parkinson's Disease, ADHD, Sensory Integration Disorder, Angelman Syndrome, vision and hearing impairments, traumatic brain injury, PTSD, and many others. Our Veterans program has allowed us to expand to serve the wounded warriors of our community as well, incorporating equine therapy into a weekly session that benefits both horse and rider spiritually, physically, and psychologically.
